Bam coverage				
Bam coverage 167 111 Child reads align	to father allele1			
Bam coverage				
Child haplotype a variants	lign to father allele1			1
Bam coverage Child reads align				
Child haplotype a variants	lign to father allele2			
Bam coverage Child reads align				
Bam coverage				
Child haplotype a Variants	lign to mother allele1			
Bam coverage Child reads align	to mother allele2			
Bam coverage
